Dear Earl,

We do appreciate very much your thoughtfulness and your kindnesses.

Again thanks.

In showing you the Hosty manuscript I did not ask you if you want a copy of it. It is about 200 pagew.

You can borrow it to copy it or we can take it to Staples, which is less than 15 minutes from here, and have a copy made for you.

If I could remember where the diskette is I'd lend you that if you prefer it.

That one is properly identified but I do not remember where I put it.

Most of the other diskettes were not properly identified by the students who did the retyping. I have to find some way of learning what is on them!

Again, many thanks,

Harold
